## PROJECT MANAGEMENT

LOCATION: Minneapolis, Minnesota

Christened Morris Park School upon its completion in 1939, this structure already boasted arched Tiger Oak doorways, doors, trim and accents. While maintaining the existing attributes, Lee Companies managed exhaustive upgrades to the two-level, 36,500 sq. ft. brick building. Besides new flooring, bathrooms were doubled and tripled in size and the former school's stage was replaced by a state-of-the-art kitchen. Marker boards and other school furnishings were installed in all of the 19 oversized classrooms.
