LOCATION: Indianapolis, Indiana

This three-level, 58,000 sq. ft. brick building started out as a school, was converted to a church, then Lee Companies was assigned the task of managing its conversion back into a school. Generously sized and perfect for adaptive re-use, a new kitchen, new bathrooms, a new stairwell, flooring and a high-tech HVAC system complement the rejuvenated edifice. There are already more than 100 students on the waiting list to take advantage of Imagine's 18 classrooms.
