PROJECT MANAGEMENT

LOCATION: South Bend, Indiana

Lee Companies assisted in replacing the sofas and recliners in this former Busk Brothers furniture store with dry-erase boards, drawing tables, desks and chairs, creating a fun, inspirational learning environment. The two-level, 56,000 sq. ft. concrete block structure was renovated in a brisk three months. An interior designer brought panache to the two-tiered cafeteria and the 1,500 sq. ft. diagonal reception area. Brand new mosaic tile was patterned in color codes to lead students to their various classrooms.
