## PROJECT MANAGEMENT

LOCATION: Minneapolis, Minnesota

Highlighted in Time magazine, Yinghua was originally housed in a store front. When they relocated to a two-story, 18-classroom structure, Lee Companies was called upon to manage massive renovation. Besides modifying spaces and knocking down walls for offices, new coats of paint and new carpeting significantly revived the location. The most visually stunning enhancement, however, has to be the lush new courtyard, featuring Japanese lilacs and 27 new shrubs, greeting all who enter.
