Lee Construction Management

LOCATION: Gary, Indiana (Lake County)

This 9,200-square-foot pre-fabricated metal building was assembled on site. The owners and occupants were extremely satisfied when, due to careful planning and seamless execution, this project came in on-time, on-schedule, and \$100,000 under budget. "I was pleased with the efforts of Lee Construction and the end results," Doug King, Development Manager, Excell Fund, LLC, said. "They were diligent and very thorough."
